Quality Policy

Quant aims to continually improve the services we provide, to meet and exceed our Customers' expectations, and to produce completed work that we can be proud of. We are passionate about our business and believe that only by providing outstanding service, and quality work, will we be able to achieve Quant's long-term success.

We continually evaluate and develop our processes and systems to ensure they remain effective. We truly believe that our people make the difference, because every Quant colleague is a professional, responsible for the quality of his/her work.

Olof Sand

CEO

Quant AB

To ensure that we meet our responsibilities and obligations to our customers, our people, our partners, our suppliers, and other stakeholders, we are committed to the following Quality Objectives:

1. We are focused on our Customers – we work continuously to identify and understand our customer's expectations, measure customer perceptions, and implement improvements to increase customer satisfaction.
2. We realize the full potential of maintenance, adding value to our customers, our business and our people.
3. We deliver on our plans and promises.
4. We empower our people through enablement, engagement, continual development and motivation.
5. We work to become and remain the best in class in safety.
6. We conduct business with integrity.
7. We leverage our partners' & suppliers' strengths to improve our services and products.
8. We strive to reduce negative environmental impact of our maintenance and related activities.
