1 BACKGROUND

As a multinational provider of industrial maintenance, the Issuer is in a good position to continue delivering on its strategy for profitable growth. The Issuer has successfully completed a comprehensive transformation program as a response to a combination of historical challenges, as well as the effects of COVID-19. The result is a sharpened geographical focus, a streamlined organisation, a new management and a contract portfolio that developed strongly during 2021.

The Issuer is executing according to plan and the effects are expected to be reflected going forward. However, the exact timing is uncertain. A refinancing of the Group's debt is therefore unlikely to be feasible in advance of the Maturity Date of the Senior Bond (15 February 2023). Consequently, the Issuer has been exploring alternatives with its key stakeholders.

In light of the above, Permira Credit Solutions II Master Sub S.A. ("**Permira Credit**"), the holder of the Issuer's PIK bond issue 2018/2023 (ISIN: SE0010663278) (the "**Junior Bonds**"), and Nordic Capital, the current ultimate shareholder of the Issuer, have agreed in principle, subject to certain conditions, to an arrangement (the "**Junior Bond Proposal**") under which Permira Credit (or one or more affiliates or related funds thereof) (collectively "**Permira Credit Entities**") is expected to become the new majority owner of the Issuer. Nordic Capital is expected to retain a minority equity interest.

The Junior Bond Proposal involves (i) the acquisition by one or more Permira Credit Entities of control of the Issuer (ii) the investment by one or more Permira Credit Entities of EUR 10,000,000 by way of equity into the Issuer and (iii) the equitisation or discharge of the Junior Bonds and existing shareholder loans owed by the Issuer to shareholder entities (including any transfer of such shareholder loans to one or more Permira Credit Entities prior to such equitisation or discharge).

The Junior Bond Proposal is conditional upon, amongst other things, agreements or consents relating to (i) an extension of the term and reduction of the Issuer's super senior revolving credit facility (the "**SSRCF**") on the terms agreed in principal with the lender of the SSRCF, and (ii) the extension of the Senior Bonds on the terms set out in the Proposals.

Furthermore, the Junior Bond Proposal is subject to approval of merger filings in a number of jurisdictions. Hence, an initial extension of three months to the final maturity of both the Senior Bonds and the Junior Bonds is requested to allow for resolution of the conditions to the proposed transaction.

In order to obtain support for the Proposals, the Issuer has been involved in confidential discussions with a number of the Bondholders. As a result of those discussions, the Issuer confirms that holders of above 65 per cent. of the aggregate outstanding nominal amount of the Senior Bonds have indicated that they would vote in favour.

2 PROPOSALS FOR CONSENT AND AMENDMENT OF THE TERMS AND CONDITIONS

The Bondholders are hereby kindly requested to approve the requests set forth in Clause 2.1 (*Interim Proposal for Amendments*) (the "**Interim Proposal**") and Clause 2.2 (*Final Proposal for Amendments*) below (the "**Final Proposals**", and, together with the Interim Proposal, the "**Proposals**"), and instruct the Agent to enter into any agreement required to effect the Proposals, as set out in Clause 3 (*Effectiveness*) below.

2.1 Interim Proposal for Amendments

With reference to the above, the Issuer kindly requests that the Bondholders give their consent to amend the definition of "Maturity Date" in the Terms and Conditions as follows (blue underlined text to be inserted, ~~red strikethrough text~~ to be deleted):

"**Maturity Date**" means the date falling five (5) years and three (3) months after the First Issue Date (being 15 May 2023)."

2.2 Final Proposal for Amendments

The amendments to the Terms and Conditions to be addressed under the Final Proposals in this amendment process are as set out below (blue underlined text to be inserted, ~~red strikethrough text~~ to be deleted):

To be addressed	Proposed Change
Change of Control Event	<p><i>Background:</i></p> <p>The Junior Bond Proposal envisages the acquisition of control of the Issuer by one or more Permira Credit Entities.</p> <p><i>Proposed change:</i> Amend existing definition of "Change of Control Event" and include a new definition of "Permitted Shareholders", as follows:</p> <p>"Change of Control Event" means:</p> <p>(a) at any time prior to an Equity Listing Event, that the Existing Shareholders <u>or Permitted Shareholders</u> together cease to have Decisive Influence over the Issuer; and</p>

	<p>(b) upon and at any time following a successful Equity Listing Event, that any Person or group of Persons acting in concert (other than the Existing Shareholders and the Permitted Shareholders) acquire control, directly or indirectly, over more than fifty (50) per cent. of the voting shares of the Issuer or the Decisive Influence over the Issuer.</p> <p>"Permitted Shareholders" means Permira Credit Solutions II Master Sub S.A. and any affiliate and/or related fund thereof.</p>
<p>Definition: "Maturity Date"</p>	<p><i>Background:</i></p> <p>In order to ensure that the Group will have sufficient working capital going forward, the Group and the creditors under the SSRCF have agreed to a conditional extension of the term of the SSRCF by 2 years and 3 months in total. This agreement is conditional upon the extension of the maturity of the Bonds by 2 years and 9 months in total.</p> <p><i>Proposed change:</i> Amend existing definition of "Maturity Date" as follows:</p> <p>"Maturity Date" means the date falling five (5) years seven (7) years and nine (9) months after the First Issue Date (being 15 November 2025).</p>
<p>Call Option</p>	<p><i>Background:</i></p> <p>As a consequence of the proposed extension of the term of the Bonds, the Issuer is proposing to update the call structure.</p> <p><i>Proposed change:</i> Amend existing Clause 10.3 as follows:</p> <p>10.3 Voluntary total or partial redemption (call option)</p> <p>(a) The Issuer may redeem the Bonds in whole or, provided that at least sixty-five (65) per cent. of the aggregate Nominal Amount remains outstanding after such redemption, in part on any CSD Business Day before the Maturity Date from and including:</p> <ul style="list-style-type: none"> (i) the First Issue Date to, but not including, the First Call Date at a price equal to the Make Whole Amount (plus accrued and unpaid interest on the redeemed Bonds); (ii) the First Call Date to, but not including, the Interest Payment Date falling thirty-six (36) sixty (60) months after the First Issue Date at a price equal to 103.00 per cent. of the Outstanding Nominal Amount of the redeemed Bonds (plus accrued and unpaid interest on the redeemed Bonds); (iii) the Interest Payment Date falling sixty (60) months after the First Issue Date to, but not including the Interest Payment Date falling seventy-two (72) months after the First Issue Date at a price

<p>Security Package</p>	<p><i>Background:</i></p> <p>Security package to remain in full force and effect subject to:</p> <ul style="list-style-type: none"> • security confirmations; or • where required by a reputable local law firm and for no longer than is reasonably required to put such security in place, a grace period to retake security, <p>(in each case, subject to local law advice).</p> <p><i>Proposed change:</i></p> <p>Insert as a new Clause 11 (f) the following:</p> <p><u>"(f) _____ The Issuer shall (and shall procure that each Group Company will) in connection with the extension of the Final Maturity Date enter into such documents, agreements, confirmations and amendments to or in relation to the Security Documents as may be required by a reputable local law firm to maintain the Security created under the Security Documents in full force and effect. "</u></p>
<p>Distributions to non-majority owned entities</p>	<p><i>Background:</i></p> <ul style="list-style-type: none"> • The current definition of Subsidiaries includes entities where the Issuer has the right to appoint a majority of the board members. This is true in the case of our joint venture entity in the United Arab Emirates, where the Issuer owns 49% and the other party owns 51%. • The decision to dividend from this company is not in the Issuer's control, but in our partner's control. Hence, their decision could result in the Issuer's default under the current terms. • This is obviously a simple mistake, which needs to be rectified.

	<p><i>Proposed change:</i></p> <p>Amend Clause 15.2(a) (<i>Distributions</i>) as follows:</p> <p>"(a) pay any dividend on its shares (other than to <u>(i)</u> the Issuer or a wholly-owned Subsidiary of the Issuer <u>or (ii) by a Subsidiary which is not directly or indirectly wholly-owned by the Issuer, provided that it is made on a pro rata basis</u>);"</p>
Cancellation of outstanding Shareholder Loans	<p><i>Background:</i></p> <p>As part of the overall process, the outstanding shareholder loans to the Issuer may be acquired by one or more Permira Credit Entities and subsequently cancelled/extinguished.</p> <p><i>Proposed change:</i></p> <p>Amend Clause 15.2(e) (<i>Distributions</i>) as follows:</p> <p>"(e) repay any Shareholder Loans or Subordinated Loans <u>other than in respect of a cancellation, set-off, netting out or extinguishment of any Shareholder Loan on a cashless basis, including in connection with any merger between the Issuer and its immediate parent company.</u> "</p>
Cancellation of the Junior Bonds	<p><i>Background:</i></p> <p>As part of the overall process, the outstanding Junior Bonds may be equitised or otherwise cancelled or extinguished.</p> <p><i>Proposed change:</i></p> <p>Amend Clause 15.2(f) (<i>Distributions</i>) as follows:</p> <p>"(f) make any PIK Debt Payment <u>other than in respect of any equitisation or cancellation, set-off, netting out or extinguishment of the PIK Bonds on a cashless basis, including in connection with any merger between the Issuer and its immediate parent company;</u> or"</p>
Deadline for cancellation of the Junior Bonds	<p><i>Background:</i></p> <p>In order to ensure the outstanding Junior Bonds are equitised or otherwise cancelled or extinguished, a long stop date is to be included.</p> <p><i>Proposed change:</i></p>

	<p>Insert the following as a new Clause 15.16 (<i>Junior Bonds Cancellation</i>) as follows:</p> <p><u>“15.16 Junior Bonds Cancellation</u> <u>The Issuer shall procure that all outstanding PIK Bonds are cancelled or extinguished as soon as reasonably practicable and in any event no later than 31 March 2023.”</u></p>
<p>Change of ownership</p>	<p><i>Background:</i></p> <p>In order to enable the Company to transfer ownership of the Issuer to one or more Permira Credit Entities, the event of default relating to change of ownership is required to be amended.</p> <p><i>Proposed change:</i></p> <p>Amend Clause 16.8 (<i>Change of Ownership</i>) as follows:</p> <p>"16.8 Change of ownership</p> <p>The Issuer ceases to be a wholly-owned direct Subsidiary of the Company <u>or any direct or indirect Subsidiary of the Permitted Shareholder</u>, or the Issuer or any Group Company sells all or substantially all of the assets of the Group."</p>

In addition, consequential changes are to be made to the Finance Documents to permit the proposed restructuring to be carried out without breaching the terms of the Senior Bonds.

2.3 Base Fee

Subject to (i) the satisfaction of the conditions set forth in Clause 4.5 (*Quorum*) and Clause 4.6 (*Majority*) below and (ii) the implementation of the amendments to the Terms and Conditions pursuant to the Proposals and satisfaction of the Conditions Precedent as set out in Clause 3 (*Effectiveness*), the Issuer will pay a base fee (the "**Base Fee**") to all Bondholders. For the avoidance of doubt, also Bondholders voting against the Proposals are eligible to receive the Base Fee.

The Base Fee shall be equal to 0.25 percent. of the Nominal Amount of each Bond (corresponding to EUR 25.00 per Bond). The Base Fee will be payable to Bondholders who are registered as a direct registered owner or as an authorised nominee in the debt register kept by the CSD on the record date recorded by the CSD five Business Days following the date of satisfaction of the Conditions Precedent as set out in Clause 3 (*Effectiveness*) (the "**CSD Record Date**"). The CSD Record Date and the payment date will be published by way of press release by the Issuer.

2.4 Early Voting Fee

Subject to the implementation of the amendments to the Terms and Conditions pursuant to the Proposals (which is subject to the satisfaction of (i) the conditions set forth in Clause 4.5 (*Quorum*) and Clause 4.6 (*Majority*) below and (ii) the satisfaction of the Conditions Precedent as set out in Clause 3 (*Effectiveness*)), the Issuer will, in addition to the Base Fee, pay an early voting fee in an amount equal to 0.25 per cent. of the Nominal Amount of each Bond (corresponding to EUR 25.00 per Bond) (the "**Early Voting Fee**") to Bondholders submitting a valid Pareto PoA and Voting Instruction (and, if applicable, the Power of Attorney/Authorisation) to Pareto no later than the Early Deadline. For the avoidance of doubt, also Bondholders voting against the Proposals no later than the Early Deadline are eligible to receive the Early Voting Fee.

The Early Voting Fee will be payable to all Bondholders submitting a valid Pareto PoA and Voting Instruction (and, if applicable, the Power of Attorney/Authorisation) to Pareto no later than the Early Deadline as further set out in Clause 2.5 (*Payment of Fees*).

2.5 Payment of Fees

Payments of the Base Fee and the Early Voting Fee are expected to be made no later than ten (10) Business Days after the date of satisfaction of the Final Conditions Precedent as set out in Clause 3 (*Effectiveness*).

Any payment of the Base Fee will be effectuated to Bondholders through Euroclear Sweden AB, which will credit the income account (Sw. *avkastningskonto*) to which interest payments on the Bonds are made to the relevant Bondholder.

Any payment of the Early Voting Fee will be effectuated as a direct payment transfer by the Issuer to the accounts specified by Bondholders in the Pareto PoA and Voting Instruction. Neither the Agent nor Pareto administers the Early Voting Fee or the Base Fee and is not involved in or in any way responsible for the Early Voting Fee or the Base Fee.

Payments are expected to be made without withholding or deduction for any applicable taxes and each Bondholder must make its own determination as to whether or not it is required to pay tax on any amounts it receives in connection with the Proposals.

2.6 Costs & Expenses

All fees to the Agent and the Agent's advisors in relation to the Proposals, together with all costs and expenses incurred by the Agent and their advisors in relation thereto, shall upon request by the Agent be paid by the Issuer. The Issuer shall bear its own costs and expenses, including fees and other expenses relating to external advisors.

3 EFFECTIVENESS

The Proposals shall be deemed to be approved:

1. immediately upon expiry of the voting period and receipt of the required quorum and majority as set forth in Clause 4.5 (*Quorum*) and Clause 4.6 (*Majority*) below; or
2. if earlier, when a requisite majority of consents from the Bondholders have been received by the Agent.

Provided that the requisite majority has voted in favour of the Proposals, the Issuer and the Agent shall, upon the Issuer's request, amend and restate the Terms and Conditions in accordance with the Interim Proposal, subject to satisfaction of the Interim Conditions Precedent (as defined below), and shall further amend and restate the Terms and Conditions in accordance with the Final Proposals, subject to the fulfilment of the Final Conditions Precedent (as defined below), as well as enter into and deliver any other agreements and/or documents that are necessary and/or desirable for the purpose of effectuating the Interim Proposal and the Final Proposals (as applicable) and requests set out in this Notice. The Issuer shall, immediately following the execution of such amendment and restatements, procure that the relevant duly executed amended and restated Terms and Conditions are registered with the CSD.

The Agent's obligation to amend and restate the Terms and Conditions in accordance with the Interim Proposal is subject to the below documents and evidence being received by the Agent (the "**Interim Conditions Precedent**"):

- (i) up to date copies of the certificate of registration and the articles of association of the Issuer and each other party (other than the Agent) to any document under paragraph (iii) below;

- (iv) evidence of the investment by way of equity of EUR 10,000,000 in cash to the Issuer from one or more Permira Credit Entities;
- (v) evidence of the effectiveness of the amendment and restatement of the SSRCF, as confirmed by the facility agent under the SSRCF;

If the amendments as proposed pursuant to the Proposals have not been implemented within six (6) months after the day for announcement of result of the Written Procedure, the Proposals shall lapse, and the Terms and Conditions shall not be amended in accordance with the Proposals.

4 WRITTEN PROCEDURE

The following instructions need to be adhered to under the Written Procedure.

4.1 Final date to participate in the Early Voting Offer and the Written Procedure (as applicable)

If voting is made through Pareto, Pareto must have received a valid Pareto PoA and Voting Instruction to ps.pe@paretosec.com **no later than by 17.00 CEST on 6 April 2022**. Subject to the Terms and Conditions being amended in accordance with the Proposals, Bondholders voting through Pareto no later than such time are eligible to receive an Early Voting Fee. Votes received thereafter by Pareto, as well as incomplete or inaccurate voting forms, may be disregarded.

For votes sent to the Agent, the Agent must have received a valid Voting Form by mail, courier or email to the address indicated below **no later than by 15.00 CEST on 21 April 2022**. Votes received thereafter, as well as incomplete or inaccurate voting forms, may be disregarded.

Please refer to Clause 2.3 (*Base Fee*), Clause 2.4 (*Early Voting Fee*) and Clause 2.5 (*Payment of fees*) for further information about the deadline and conditions in order to be eligible for the Base Fee and the Early Voting Fee.

4.2 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date:

- (a) be registered as a direct registered owner of one or several Bonds on a Securities Account; or
- (b) be registered as an authorised nominee on a Securities Account, with respect to one or several Bonds.

Bonds owned by the Issuer, a Group Company or any Affiliate of the Issuer do not entitle to any voting rights.

4.3 Bonds registered with a nominee

If you are not registered as a direct registered owner, but your Bonds are held through a registered authorised nominee or another intermediary, you have two different options to influence the voting for the Bonds.

1. If you want to participate in the Early Voting Offer, you should (i) ask the authorised nominee or other intermediary that holds the Bonds on your behalf to vote in its own name by submitting the Pareto PoA and Voting Instruction, attached hereto as Schedule 1 (*Pareto PoA and Voting Instruction*), as instructed by you, or (ii) obtain a Power of Attorney/Authorisation attached hereto as Schedule 3 (*Power of Attorney/Authorisation*) from the authorised nominee or other intermediary and send in your own Pareto PoA and Voting Instruction based on the authorisation.
2. If you want to vote without participating in the Early Voting Offer you should (i) ask the authorised nominee or other intermediary that holds the Bonds on your behalf to vote in its own name by submitting the Voting Form, attached hereto as Schedule 2 (*Voting Form*), as instructed by you, or (ii) obtain a Power of Attorney/Authorisation attached hereto as Schedule 3 (*Power of Attorney/Authorisation*) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation.

If you hold your Bonds through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as Bondholder of the Securities Account, or from each intermediary in the chain of Bondholders, starting with the intermediary that is registered in the debt register as a Bondholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Bonds on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Bonds on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Bonds are registered or need authorisation or other assistance to participate.

4.4 Decision procedure

The Agent will determine if a submitted Voting Form will be counted as a valid vote in the Written Procedure.

When a requisite majority of votes in favour of the Proposals have been received by the Agent, the Proposals shall be deemed to be adopted even if the time period for replies in the Written Procedure has not yet expired.

A notice of the outcome of the Written Procedure will promptly be sent by regular mail to the Bondholders and be published on the websites of the Issuer (www.quantservice.com) and the Agent (www.stamdata.com), and be published by way of press release by the Issuer.

Any matter decided upon through the Written Procedure will be binding for all Bondholders.

4.5 Quorum

Bondholders representing at least fifty (50) per cent. of the Adjusted Nominal Amount must participate in the Written Procedure (by way of casting votes) in order to form quorum.

If the required quorum is not reached, the Agent shall, if requested by the Issuer, initiate a second Written Procedure for which no quorum requirement will apply.

4.6 Majority

The Agent must receive votes in favour of the Proposals in the Written Procedure representing at least sixty-six and two thirds ($66 \frac{2}{3}$) per cent. of the Adjusted Nominal Amount of the Bondholders voting in the Written Procedure in order for the Proposals to be approved.

4.7 Address for sending replies

Bondholders that wish to participate in the Early Voting Offer shall return the Pareto PoA and Voting Instruction as set out in Schedule 1 (*Pareto PoA and Voting Instruction*) and, if applicable, the Power of Attorney/Authorisation set out in Schedule 3 (*Power of Attorney/Authorisation*) or other equivalent authorisation, if the Bonds are held in custody or through an intermediary (i.e. if they are not held on a Securities Account in the name of the holder of the Bonds directly with Euroclear Sweden), to Pareto, by e-mail to ps.pe@paretosec.com.

Bondholders who wish to vote without participating in the Early Voting Offer shall return the Voting Form, as set out in Schedule 2 (*Voting Form*), and, if applicable, the Power of

Attorney/Authorisation set out in Schedule 3 (*Power of Attorney/Authorisation*) or other equivalent authorisation, if the Bonds are held in custody or through an intermediary (i.e. if they are not held on a Securities Account in the name of the holder of the Bonds directly with Euroclear Sweden), to the Agent by regular mail, scanned copy by e-mail, or by courier to:
